MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED] 25X1A

1. The Subject had written a letter to the DCI requesting his assistance in regaining his appointment in the Army or, failing that, a job with the DOD in a civilian capacity. The DCI had written such a request to General Westmoreland, C/JCS, who replied that both suggestions were impossible. Deputy [REDACTED] asked me to convey this answer to the Subject. 25X1A

2. On this date I called the Subject at his place of employment, Senate Sub-Committee for Refugees, and told him that he could not be considered for re-assignment as an officer in the Army and that he lacked the qualifications for employment as a civilian with the DOD. He thanked me for my call and asked that we could get together sometime in the near future for lunch.

3. I asked him what he planned to do and he replied that he did not have any plans. I asked him if Senator Kennedy could not help him. He replied that the political climate had changed and he could no longer depend on the Kennedys for help.
